

Are you a resident of a Portsmouth Redevelopment and Housing Authority (PRHA) housing community or do you participate in the PRHA Housing Choice Voucher Program?

Would you like your child to receive FREE Kayak lessons in the Portsmouth Junior Paddle Battle? If so, your child will need to show proof that he/she has completed an organized swim class, for example with the YMCA, the Boys & Girls Club, a Church camp, etc. **Does your child still need swim lessons** and would you like your child to receive FREE Swim lessons from the YMCA?

Your child must be a PRHA resident or participate in the Voucher Program and must be 8-14 years old.

We will soon have information available to you from PRHA on how to sign your child up for the Junior Paddle Battle and for Free swim lessons. PRHA and the YMCA have been assigned up to 18 reserved spaces on a first-come-first-serve basis.

Until the information is available from PRHA, DON'T WORRY. **Just Register your child on the regular Junior Paddle Battle page and check the box on the Registration form telling us that you are part of the PRHA Community and that you would like us to contact you** with the necessary information. Someone will get back to you promptly.
